

## Development Profile

**Project:** The Vintage Chapel

**Location:** The Vintage, Hunter Valley - Rothbury Drive, Rothbury NSW

**Description:** The Vintage Chapel is a stunning example where the Stevens Group have used recycled materials to produce a timeless building that looks to have been completed many years ago. The project adjoins the clubhouse at The Vintage Golf Club.

The recycled sandstone purchased for the construction of the project, was originally quarried by convicts in the 1830s at Jerry's Plans in the Upper Hunter Valley, hardwood roof trusses were recycled from a woolshed in Newcastle, Jarrah floors were located from a project in Perth and a restored bronze bell from 1802 was installed in the bell tower.

The project is now a major feature at The Vintage.

**Project Value:** \$1 million.

**Status:** Completed 2010.
